Dear Mr. Yoder:

As a follow up to our Application for a Certificate of Prepaid Calling Service Provider Authority in the state of Illinois dated June 24, 2005, NetworkIP, LLC requests a waiver of a hearing based on statute 13.404.1(b) and the fact that our company was previously certified in your state.

NetworkIP, LLC understands the requirements of the Consumer Fraud and Deceptive Business Practices Act (815 ILCS505/2QQQ) which requires 1) that the pre-paid card contain the full name of the Prepaid Calling Card Service Provider as certified by the Commission and 2) that the refund policy or a statement that the refund policy is located on the packaging material. NetworkIP, LLC agrees to comply with these requirements.

It is my understanding that based on the information provided above, it will not be necessary for NetworkIP, LLC to attend a hearing to become certified as a PCSP in the state of Illinois.

Please forward acceptance of our application and any associated certificates to the attention of Tim Martin at the address listed below.

Should you have any further questions or comments, please contact Mike Adams at 214-800- 4858. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tim Martin".
